CAPABILITY STATEMENT

CORE COMPETENCIES

At Fire Ant Control, we specialize in treating any size property to control fire ants. Our granular bait sterilizes the queen killing the nest at the source. We broadcast using custom ATVs and hand spreaders to blanket treat the entire property.

DIFFERENTIATORS

- Guaranteed control of fire ants
- We treat only fire ants
- Fresh, high quality professional bait
- Our bait kills the nest from the inside out
- We blanket treat the entire property, we do not spot treat
